Education

Ph.D. Student, University of Louisiana at Lafayette August 2014-Current
Advisor: Brad Moon

M.S., Austin Peay State University August 2014
Advisor: C. M. Gienger
Thesis: Habitat Selection and Thermal Ecology of *Agkistrodon piscivorus leucostoma*

B.S., Austin Peay State University December 2009
Major: Biology
Concentration: Distributive Teaching

Research Experience

Habitat Selection and Thermal Ecology of Agkistrodon piscivorus leucostoma 2011-2013

Herpetofaunal Survey of Milan Army Ammunition Arsenal, Milan, TN. 2008-2013

Positions Held

Graduate Teaching Assistant –Department of Biology, University of Louisiana at Lafayette August 2014-Current

Adjunct Instructor -Department of Biology, Austin Peay State University 2013-2014

Graduate Research Assistant -Center of Excellence for Field Biology, Austin Peay State University 2012-2013

Curatorial Assistant -David Snyder Museum of Zoology, Austin Peay State University Fall 2011

Publications, Presentations, Funding and Awards

I have over 20 notes in Herpetological Review regarding the geographic distributions of reptiles and amphibians from 2012-2014.

I have presented my research at two national conferences (Annual meeting for the Society for Integrative and Comparative Biology, San Francisco, CA. Jan 2013; Joint Meeting of Ichthyologists and Herpetologists, Chattanooga, TN. August 2014) and 5 regional conferences.

Since 2012, I have received over \$2,750 in awards to support my research and funding for travel to conferences.
